

COVID-19: vaccination services - patient pre-screening form

Prior to attending an appointment in the pharmacy, please complete the following questionnaire

Patient name		Patient date of birth	
Patient address		Date completed	

	Question	YES	NO
1	Have you tested positive for COVID-19 in the last 10 days?		
2	Are you waiting for a COVID-19 test or a test result?		
3	Have you been notified by NHS Test and Trace in the last 14 days that you are a contact of a person (with whom you do not live) who has tested positive with COVID-19?		
4	Do you have a high temperature or a fever or have had this symptom in the last 14 days?		
5	Do you have a new continuous cough or have had this symptom in the last 14 days?		
6	Do you have any change or loss of smell or taste from normal or have had this symptom in the last 14 days?		
7	Do you live with someone who has either tested positive for COVID-19 or had symptoms of COVID-19 in the last 14 days?		
8	Have you returned to the UK from abroad (non-exempt country) in the past 14 days?		

If you answer **YES** to any of the questions above the appointment will have to be deferred.

Further information when appointment is arranged	YES	NO
Have you been informed by the NHS that you should SHIELD, or by your doctor that you are in a VULNERABLE group?		
Are you bringing or do you require a chaperone for the vaccination? <i>If a chaperone is not required please try not to bring anyone else with you, due to restrictions on the number of people allowed into the pharmacy at any one time.</i>		
<p>You should wear suitable clothing to wear to ensure efficient and easy access. Please bring as few belongings as possible.</p> <p>As per current legislation, you must wear a face covering to enter the pharmacy, unless exempt. If the pharmacist deems the face covering unsuitable, you will be asked to wear a face mask, that we will provide, for the duration of the vaccination.</p> <p>We will ask you to use the hand sanitiser provided</p>		
Please do not arrive early for appointments as we limit the number of people in the pharmacy at

any one time. If necessary we may ask you to wait outside.

In order to keep you safe whilst attending for vaccinations we are taking the following measures:

- Our pharmacist will be wearing full PPE whilst vaccinating
- The room we use for vaccination will be cleaned after each patient
- We will be using disposable seat coverings where possible
- We operate a social distancing policy within the pharmacy
